

# Conduit Trapeze Brackets

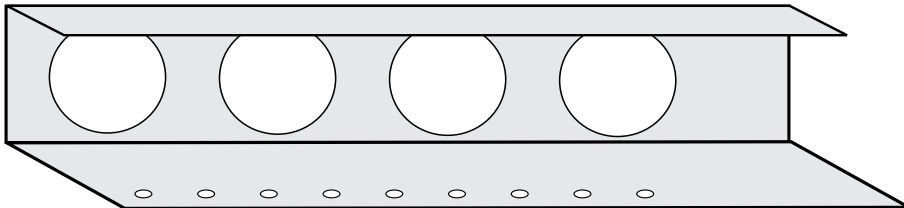

**SAFER** – No cutting or handling heavy, awkward long lengths of strut

**BETTER** – Conduits quickly line up perfectly parallel for a professional look

**FASTER** – Eliminate 5 clamps, per foot of bracket

## Wide Bottom Flange WF Series

Allows drill chuck clearance when installing vertically on walls or horizontally on decks.

CAT# EZUTB(Length)-WF  
IE: EZUTB-24-WF = 24"

*For all special brackets allow up to 3 weeks for shipment after SP receives written approval.*

**Any configuration available – customer must provide a drawing**

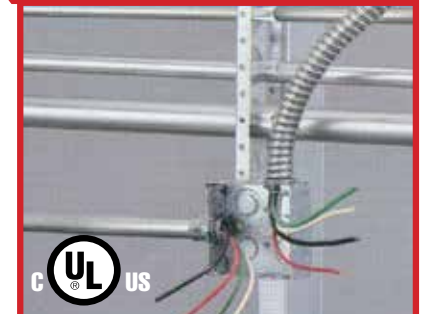

**Stack Overhead for Tight Areas**

**Attach Conduit & Box Support Plates Above and Below Conduit**

**on Decks**

**Vertical on Walls**

**Customer must satisfy all codes and owners' specifications.**
