

“Quick Pipe”

Roof Conduit Support Safer, Lighter and Faster!

Also Available with Various Lengths of Galvanized Steel Strut Attached

EXTREMELY COMPETITIVE PRICING

Eliminates cutting and hauling, expensive treated lumber or heavy rubberized supports up to roof.

- Recycled black plastic. Can qualify for LEED Credits.
- Set black with yellow certiform foam base on tar and gravel roof and quickly secure conduit with an inexpensive one hole strap.
- Support is free floating. Allows movement to prevent damage to roof when conduit expands and contracts due to temperature changes.

Cat# QPB2000BK

11¾" w x 6" d x 4½" h

PATENTED

110 lb.
Load Rating
