

1. To care for our country, industry and electricians by encouraging everyone to buy and install quality made in U.S.A. innovative products for **SAFER – BETTER – FASTER** jobs.
2. Provide opportunity with fair compensation for current and future generations in this country.
3. Develop and promote products that help accomplish these goals.
4. Be the electricians' friend by providing them the satisfaction of making a valuable contribution to the industry plus receiving fair compensation for their ideas.
5. Provide excellent quality and service with competitive pricing.

For more information, samples, literature, product meeting, quotation or to place an order call us. Also, if you have ideas for products we'll help you patent & market them plus pay you an excellent royalty.
